1. Project identity

Identification

Acronym	EXAMPLE DOI 3rd CALL
Program reference	1322479465
Unique number (for search)	4428
Title	Fictional example of DoI TN 3rd Call
Lead Partner	Basingstoke and Deane Borough Council (UNITED KINGDOM)

Length of project

Start date	End date
2012-05-01	2012-10-31

2. Summarized description of the issue to be addressed

THIS DOI IS AN EXAMPLE AND INFORMATION PRESENTED ABOUT PARTNERS IS NOT BINDING.

Briefly describe the issue to be addressed by the network if approved.

This short description of the project will be used in URBACT II publicity material and on the website so should focus on the main objective/issue to be addressed by the project and indicate the expected results. Each response should clearly state how the project aims to meet the main aims of the URBACT II programme.

max. 500 characters

3. Initial partnership (5 cities from at least 3 different Member/Partner States)

	Partner Institution	Type of institution	Convergence / Competitiveness	Country	Area
Lead Partner	Basingstoke and Deane Borough Council	Local authority	Competitiveness Zone	UNITED KINGDOM	Hampshire and Isle of Wight

- II - PRESENTATION OF PROJECT PROPOSAL FOR IMPLEMENTATION PHASE

1. Definition of the issue to be addressed in relation with the selected topic

Candidates have been requested to select one out of the 8 topics defined for this call for proposals. In this section, candidates are invited to define the issue partners intend to work on, in relation with the selected topic.

2. Starting situation and main challenges faced by the 5 initial partners in relation with the issue

For each proposal, it is required to outline in detail the current situation within the partners concerning the selected topic. Evidence should be provided that the challenges to be addressed are relevant for all 5 partners. This should include a short summary of the main challenges faced by the partners with regard to the issue or policy field concerned.

3. Description of the work packages to be developed in Implementation phase

3.1 Work package 1 – Project management and coordination

For further information, please refer to section 2.5.2 of the Call for proposals and Part 5 of the Guide to URBACT Thematic networks.

Please describe the actions to be developed and outputs to be delivered under this work package.

Starting point:

Activities:

The work package will include the following actions:

1. ...
2. ...

Deliverables:

Through this work package, the project will deliver the following:

1. ...
2. ...

Support:

In order to reach the objectives defined and to deliver the actions and outputs expected, we will implement this work package through:

- employment of...
- work with...
- involvement of...
- collaboration with...
- etc.

3.2 Work package 2 – Transnational exchange and learning

For further information, please refer to section 2.5.2 of the Call for proposals and Part 5 of the Guide to URBACT Thematic networks.

Please describe the actions to be developed and outputs to be delivered under this work package.

Starting point:

Activities:

The work package will include the following actions:

1. ...
2. ...

Deliverables:

Through this work package, the project will deliver the following:

1. ...
2. ...

Support:

In order to reach the objectives defined and to deliver the actions and outputs expected, we will implement this work package through:

- employment of...
- work with...
- involvement of...
- collaboration with...
- etc.

3.3 Work package 3 – Impact on local governance and urban policies

For further information, please refer to section 2.5.2 of the Call for proposals and Part 5 of the Guide to URBACT Thematic networks.

Please describe the actions to be developed and outputs to be delivered under this work package.

Starting point:**Activities:**

The work package will include the following actions:

1. ...
2. ...

Deliverables:

Through this work package, the project will deliver the following:

1. ...
2. ...

Support:

In order to reach the objectives defined and to deliver the actions and outputs expected, we will implement this work package through:

- employment of...
- work with...
- involvement of...
- collaboration with...
- etc.

3.4 Work package 4 – Communication and dissemination

For further information, please refer to section 2.5.2 of the Call for proposals and Part 5 of the Guide to URBACT Thematic networks.

Please describe the actions to be developed and outputs to be delivered under this work package.

Starting point:

Activities:

The work package will include the following actions:

1. ...
2. ...

Deliverables:

Through this work package, the project will deliver the following:

1. ...
2. ...

Support:

In order to reach the objectives defined and to deliver the actions and outputs expected, we will implement this work package through:

- employment of...
- work with...
- involvement of...
- collaboration with...
- etc.

- III - PROJECT PROPOSAL FOR DEVELOPMENT PHASE

1. Lead Partner's experience

The candidate Lead partner is required to outline in detail all relevant previous experience, providing examples of other similar successful projects, details of work carried out in this field and information concerning the skills and competences of the staff employed to lead the proposed project.

- LP's experience of the problem to be addressed by the network

- LP's experience in European / International networks

- Experience of the responsible person / officer / staff in charge of leading the network in the name of the Lead Partner

2. Political involvement and support within the Lead Partner city

It is especially important that URBACT II projects ensure maximum impact of their activities on local policies. In order to foster the involvement of local decision / policy makers, projects are strongly encouraged to mention the name of the elected representative in charge of following the project and its outputs.

The project falls under the responsibility of:

First name Name, Function, portfolio, responsibilities, experience, involvement in other thematic and/or transnational activities similar to the project activities proposed and topics to be addressed.

3. Partner profiles

	What are the problems and challenges faced by the partner city in relation to the selected topic?	What are the policies and concrete actions developed by the partner city so far in relation to these problems and challenges?	What could be the scope of the Local Action Plan to be developed by the partner city within the framework of the network?	Who will be involved in the initial URBACT Local Support Group to be set up during the De-velopment phase by the partner city?	What is the experience of the partner city in terms of working through transnational exchange in relation to the selected topic?	What is the potential contribution of the partner city to the network activities and what does the partner expect from the network?
Basingstoke and Deane Borough Council	answer to each of the 6 questions for each of the 5 initial partners	answer to each of the 6 questions for each of the 5 initial partners	answer to each of the 6 questions for each of the 5 initial partners	answer to each of the 6 questions for each of the 5 initial partners	answer to each of the 6 questions for each of the 5 initial partners	answer to each of the 6 questions for each of the 5 initial partners

City of Covilha	answer to each of the 6 questions for each of the 5 initial partners	answer to each of the 6 questions for each of the 5 initial partners	answer to each of the 6 questions for each of the 5 initial partners	answer to each of the 6 questions for each of the 5 initial partners	answer to each of the 6 questions for each of the 5 initial partners	answer to each of the 6 questions for each of the 5 initial partners

4. Appointed Lead expert

Mention the Lead Expert you intend to appoint if the project is approved to enter Development phase and explain relevance for the project proposal.

Please refer to Programme Manual Factsheet 3b and to section 4.2 of the call for proposals. Guidelines are also available in section 1.3 of the Guide to URBACT Thematic networks

5. Foreseen framework for the involvement of Managing Authorities of Operational Programmes in the project

Describe how the Managing Authorities of Operational Programmes will be involved in the activities of the network (especially in WP 2 of Development Phase and in WP 2 and 3 of Implementation Phase).

Please identify and list the relevant services / contact persons for partners.

For further details refer to section 1.4 of the Guide to URBACT Thematic networks.

6. Description of the work packages to be developed in Development phase

6.1 Work package 1 – Project management and coordination

For further information, please refer to section 2.5.1 of the Call for proposals and Part 4 of the Guide to URBACT Thematic networks.

Please describe the actions to be developed and outputs to be delivered under this work package.

Starting point:

Activities:

The work package will include the following actions:

1. ...
2. ...

Deliverables:

Through this work package, the project will deliver the following:

1. ...
2. ...

Support:

In order to reach the objectives defined and to deliver the actions and outputs expected, we will implement this work package through:

- employment of...
- work with...
- involvement of...
- collaboration with...
- etc.

6.2 Work package 2 – Project development

For further information, please refer to section 2.5.1 of the Call for proposals and Part 4 of the Guide to URBACT Thematic networks.

Please describe the actions to be developed and outputs to be delivered under this work package.

Starting point:**Activities:**

The work package will include the following actions:

1. ...
2. ...

Deliverables:

Through this work package, the project will deliver the following:

1. ...
2. ...

Support:

In order to reach the objectives defined and to deliver the actions and outputs expected, we will implement this work package through:

- employment of...
- work with...
- involvement of...
- collaboration with...
- etc.

7. Table of expected deliverables for Development phase

Product	Type	Value	Description
Kick-off meeting	meeting	1	kick-off meeting at the beginning of the Development phase to commit initial partners in the project
Final meeting	meeting	1	final meeting with all partners at the end of the Development phase to validate the Baseline study and agree on the Final Application (project focus, foreseen activities, expected outputs, etc.).
Local Support Group Meetings	meeting	5	For the 5 initial partners involved in the Declaration of Interest: to set up their core Local Support Group and hold a first ULSC meeting
Baseline Study	baseline study	1	Baseline study built on visits of the Lead Expert to all partners involved in the final partnership
Project mini-site	web site and collaborative tools	1	Completed project mini-site on the URBACT web-site along with a logo for the project

8. Work plan for the Development Phase

Objective	Action	Start date	End date	Description	Localization	Main partner	Participating partners	Products	Amount
Work package 1 – Project management and coordination	Action 1.1 – General Project Management	2012-05-01	2012-10-31	Box "Description" cannot be empty. Describe the action concisely	Hampshire CC - ☐	Basingstoke and Deane Borough Council	Please be aware that only the partners involved in a given action will be allowed to declare expenditure related to a budget line linked to that action.		35,000.00 €
