City of Corfu – Local Support Group
Third meeting report

Venue: Marasleio Mansion in Municipality seat of Corfu - Greece

Date: April 8th 2010 – 7.00 pm

Kyriaki Kyriaki and Leonidas Stanelos, as coordinators of Historiccentres_Net project, opened the meeting by collecting the completed documents of each participant. Then each participant had few minutes to speak about his document and explain his views.

The discussion followed, focused on finding solutions to eliminate the problems.

Then some proposals expressed, on projects and activities that could help improve the problems identified. All these proposals were written down by the coordinators for future use by the Lead Expert.

Present at the meeting was also the program's external expert, which delivered all the material and undertook the responsibility to write down and produce the Baseline Study report.

The meeting was closed at 9.30 pm.

At the meeting participated 11 subjects (with the external expert).
