

HIGOOD OUTREACH

- * Understands your target group and their needs & work around that
- * Be creative - Think outside of the box
- * Be Flexible
- * Getting young people involved by outside meetings people they can relate to
- * Be patient !!!! Everybody is different, take the time they need individual approach
- * less pressure, less paperwork ↓ you may not get direct resusers!
- * Try to work with young people, they can motivate other young people together
- * Go to young people in their time.
- * Be honest !! Be real !! They will feel your respect.
- * you should be well informed (learn their language, the neighborhood...)
- * work with people who came out of the target group and have grown. young people can relate to them.
- * Health & Safety : if you go out : always go in pairs and the pair is male & female.
