Main activities and responsibilities

- Scientific Coordination of Research in the field of labour market and social policies
- Responsible for international networks and EU projects (in 2006, 24 projects);

Key tasks;

- From 2007 Network co-coordinator of the Network on Gender and Employment set up by DG EMPL
- From 2007 Senior Advisor of the Network on Gender and Social inclusion set up by DG EMPL
- From 2006 Senior Advisor of the Study on Poverty and social exclusion in rural areas by DG EMPL

2005 to date: for E.C. DG Employment, Social Affairs and Equal Opportunities, "Dynamo: Dynamics of National Employment Models" EU 6th Framework Programme. The goals are to identify the challenges currently faced by European national models and the overall European social model and search for new forms of socio-economic development models that are required if Europe is to simultaneously pursue competitiveness and social cohesion. Researcher in charge of one of the sector studies (elderly care).

2006 – to date: for E.C. DG Research, "Wonbit. Women on biotechnology". The project is aimed at organising an international conference to promote debate among civil society and specifically the feminist movement and scientists, in order to produce specific recommendations to promote women's debate and social participation into addressing research trends. Expert.

2005-to date: for E.C. DG Employment, Social Affairs and Equal Opportunities, "Job Instability and changes in Family and Household Trends". Social-economical analysis of gender discrimination, fertility and labour market. Drafting of a chart of policy recommendations and guidelines for local actors. Scientific coordinator. Countries covered: Italy/Belgium/Germany/Slovenia/Poland.

2005-2006: for E.C. DG Employment, Social Affairs and Equal Opportunities, "Poverty and social exclusion among Lone-Parent Household": European study that aims at assessing separately and comparatively, with a sample of 13 EU countries, the risks of poverty and social exclusion facing the diverse types of lone parent families. Assessment of inclusion policies, evaluation of gender measures to reduce discrimination against women lone parents. Proposal writing, coordination of research teams, final reporting. Head of project. Countries covered: Italy/Belgium/Bulgary/Germany/Denmark/Spain/France/Ireland/Netherlands/Norway/Poland/Portugal/U.K.

2005-2006 : for E.C. Employment, Social Affairs and Equal Opportunities, "Female Migration Vision": Evaluation of local training and educational policies. Evaluation of local actions that support the families involved in "migratory projects". Analysis of migration flows and coordination of regional policies and actions. Scientific Coordinator. Countries covered: Italy/Belgium/Ireland/Denmark/Sweden/Latvia/Poland/Portugal.

2004-2006 : for E.C. Employment, Social Affairs and Equal Opportunities, "When this is a man": Impact evaluation of the EU policies on employment and social inclusion on the life choices of men in four different countries. The aim is to promote equal opportunities by proposing new male roles and behaviours as a consequence of specific policies. Scientific Coordinator. Italy/Belgium/Denmark/Bulgaria.

2003-2005: for E.C. Employment, Social Affairs and Equal Opportunities "Mass Media in (Re)distribution of Power" the aim of the project was to promote and improve women's participation into decision making processes, especially into politics. Specific actions were taken to raise awareness of communication experts and policy makers. Scientific Coordinator. Countries covered: Latvia/Italy/Belgium/Denmark/Estonia.

2003-2005 : for E.C. Employment, Social Affairs and Equal Opportunities : Gendmap Project – Gender differences in the access to managerial and entrepreneurial position. In the project: researcher in charge of the impact of new technologies on women's employment.

2002-2004: for E.C. Employment, Social Affairs and Equal Opportunities : Galca Gender Analyses and long-term Care Assistance. Evaluation and technical assistance, reporting of best-practices, impact evaluation on employment trends. Head of project. Countries covered : Italy/Belgium/Ireland/Denmark/Sweden/ Netherlands.
