Experiencias Variadas

Experiencias – Ventajas & Valor

Aventura...Estar mimado..."networking" con sorpresas

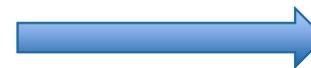

Tampoco tienes que dejar el trabajo: puedes dedicar tiempo a URBACT en la noche y los fines de semana - ese es el precio

Oportunidades de:

- **Contribuir a los proyectos URBACT – los diferentes y ambiciosos objetivos...**
- **Poner a prueba conocimiento y habilidades (con el Lead Expert y las Ciudades...) para diseñar la intervención más relevante y útil....**

Y para que un ciudadano (como yo) pueda contribuir directamente a las prácticas públicas e incluso las políticas, lo que a su vez afectan a personas reales - a las que nunca podría haber llegado de otra manera

Algunos conocimientos & habilidades que he tenido la suerte de compartir
