

Network duration

01/11/2025 – 30/04/2028

urbact.eu

UNIDAS4EU

Improving prevention and support responses to domestic violence in Europe

This network will transfer UNIDAS, a good practice focused on multi-level coordination to prevent and combat gender-based and domestic violence. Over 30 months, cities will adapt its governance model, victim support services and monitoring tools. The approach integrates prevention, protection and data-driven planning, fostering inclusive, coordinated and sustainable responses rooted in equality, care, and the empowerment of local stakeholders.

Network Partners

- CIM Tâmega e Sousa (PT)
- Dragomanov Ukrainian State University (UA)
- Municipality of Drama (EL)
- Bétera (ES)
- Ville de Meylan (FR)
- Municipality of Vincenza (IT)
- Budapest 12th District (HU)

Total network budget

EUR 749 755.00

EU funding

EUR 561 828.5
