Plan your trip

Pack your bag

Sunny skies are expected at the 2026 URBACT City Festival in Nicosia. By late September, the weather is usually warm and temperatures can go up to 25°-30° for the day and down to 18°-20° for the night. Rain is rare, but possible.

When packing your bag, please don't forget:

- **Sunglasses**
- **Hat**
- **Sun screen**
- **Water bottle**
- **Comfortable shoes**
- **A raincoat** and an **umbrella** in the event of bad weather

- **Your passport**

EU citizens don't need a passport to travel to Cyprus. However, **carrying one is recommended**, since it often makes airport check-in and flight connections faster and easier.

- **A plug convertor**

Electric plugs in Cyprus follow the **British three-pin format (Type G)**. Make sure to bring a suitable adapter to charge your electric devices.

Land to Larnaca International Airport (LCA)

Important information on travelling to Cyprus!

The legally-recognised points of entry into the Republic of Cyprus are:

- the **international airports of Larnaca and Paphos**, and
- the ports of Larnaca, Limassol, Latsi and Paphos

These are situated in the area under the actual control of the Government of the Republic of Cyprus. **Entering the country through any other ports or airports located in the Turkish occupied area is considered illegal.**

Participants of the 2026 URBACT City Festival are strongly recommended to land to Larnaca International Airport (LCA).

This is the closest major airport to Nicosia, located in the Republic of Cyprus. Direct flights connect Larnaca with most major European cities (London, Berlin, Frankfurt, Paris, Warsaw, Athens, etc.).

When planning your trip, please **double-check the airport code to make sure not to use airports located in the northern part of the island**, which are **not legally recognized as points of entry into the Republic of Cyprus**.

Typical flight times:

- London → LCA: 4,5–5 hrs
- Berlin → LCA: 4,5 hrs
- Frankfurt → LCA: 3,5–4 hrs
- Paris → LCA: 4 hrs 15 min
- Athens → LCA: 1,5 hrs
- Warsaw → LCA: 3,5 hrs

You can also travel to Cyprus by boat.

During the spring and summer season, ferries connect Piraeus (Athens) and sometimes Thessaloniki with the Limassol or Larnaca ports. Crossing time is 30–40 hours depending on route and operator.

From the Limassol or Larnaca ports, travelers can reach Nicosia by Intercity bus (approx. 1 hour from Limassol, 45 minutes from Larnaca).

Get to Nicosia from the Larnaca International Airport (LCA)

The airport is located approximately 40.4 km from the city centre of Nicosia.
It is well connected to the capital through several options:

Airport Shuttle (Kapnos Airport Shuttle)

- Direct, non-stop service between the airport and Nicosia Station - Kyrenias Avenue.
- Public buses to the city centre (Solomou Square) are available from a bus stop located across the street (bus stop 437, Λεωφ. Λεμεσού - Λύκειο Αρχ. Μακαρίου ("Police headquarters"))
- Journey time: approximately 50 minutes.
- Runs frequently throughout the day, with timetables coordinated with major flight arrivals and departures.
- Tickets cost €10 and can be pre-booked online at <https://kapnosairportshuttle.com/>, or purchased at the infopoint located at the airport's arrivals (cash and card accepted)

Taxi

- Readily available outside the arrival's terminal 24h/7.
- Journey time: approximately 40–50 minutes to Nicosia.
- Cost: €40–60 (depending on time of day and operator).
- Ideal for late-night or early-morning arrivals when shuttle frequency is reduced.
- For more information on taxi companies, please see under **"Get to (and around) the venues"**

Public bus

- Requires taking a local Larnaca bus into the city centre (Foinikoudes) and then an intercity bus to Nicosia (Solomou Square).
- Journey time: 70–110 minutes.
- Cost: €4–8 total (cash only).

Rental car

- Car hire desks are available at the airport arrivals hall.
- The drive to Nicosia takes 40–50 minutes via the A2 motorway.

Get to (and around) the venues

Nicosia is a compact and walkable city, especially in the Old Town (within the Venetian Walls), where the two main venues of the 2026 URBACT City Festival are located. For longer distances—like getting to the Former GSP Stadium—there are multiple transport options.

On foot

Walking is often the fastest way. Streets in Old Nicosia are narrow and pedestrian-friendly, lined with cafés, shops, and cultural sites.

Royal Hall and Eleftheria Square:

- **around 10 minutes (700m)** apart on foot from one another.
- **less than 15 minutes (1 km)** from the central bus station located in Solomou Square (Πλ. Σολωμού), the main public transportation hub.

Old GSP Square:

- **20 minutes (1.4 km)** from the Royal Hall
- **8 minutes (550m)** from the central bus station in Solomou Square.

By bus

URBACT buses

For participants staying at Landmark and Semeli hotels, URBACT has foreseen buses taking you to the venues and back to your hotel - free of charge. A detailed bus timetable will be available at the reception of your hotel.

Municipal buses

Buses typically run from 06:30 to 23:00, with limited service at night. Tickets can be purchased on board from the driver (cash only). The main bus hub is Solomou Square (Πλ. Σολωμού) in the city centre.

Royal Hall and Eleftheria Square:

- Closest bus stop: Platia Tillyrias (Πλατεία Τηλλυρίας), around 3 minutes (165m) away, served by bus lines L1 and 2.
- Alternatively, take any bus stopping in Solomon Square, then walk around 15 min.

Old GSP Square:

- Served by buses heading towards Strovolos and other southern districts (approx. 10 min ride from Solomou Square).
- Ministry of Finance (Υπουργείο Οικονομικών) or Evagorou Ave. - Vasileos Pavlou (Λεωφ. Ευαγόρου - Βασιλέως Παύλου), served by bus lines 1, 2, 11, 12, 13, 19, 400, N1, N5.

By taxi or rideshare

Taxis in Nicosia are plentiful, especially around Eleftheria Square, Ledra Street, and major hotels. Fares are metered, though it's common to agree on a price before starting.

- **nTaxi**

Ridesharing companies operating in Nicosia (get the apps to use them):

By bicycle

Nicosia is cycling-friendly, especially in the Old Town and along dedicated cycle paths that connect central areas.

A public bike-sharing system called "Nextbike" operates across the city:

- **info@nextbike.com.cy**
- phone +357 99408094 or +357 77788323

Both standard and electric bikes can be rented via the app, with pickup/drop-off stations near Solomou Square, Ledra Street, and close to the Old Town.
